#### MYSTERY MAKES

### TANLAG-SECURE

Imitation Is Set at Defiance by the Famous Master.

Tanlac! There is magic in this household word—a magic made by success unprecedented and a fame based very solidly on its accomplishments in more than one million homes, The ingredients for Tanlac are gathered in the remotest partst of the world. From the far North woods to world. From the far North woods to Argentina, below the equator; in Russian Asia, the Alps, Pyrennes, on the sunny shores of Italy from Brazil, Sumatra, Peru, the West Indies, and the slopes of our own timbertopped Rocky Mountains, come the roots, herbs, barks asd even flowers that, under the direction of Herr Joseph Von Trimbach, the noted German chemist, are compounded into Tanlac.

There can be no successful imita-

There can be no successful imita-tions of Tanlac. It is compounded as skillfully and as mysteriously as na-ture distills the famed minearl waters

of Europe.
Tanlac, now universally known as the Master Medicine, is proving invaluable against ailments of the stomach, liver and kidneys, and ca-tarrhal affections of the mucous membranes, which, when neglected, so often affect the vital organs themselves. As a general tonic for half sick, run-down men and women, it builds up the tissues, creates a keen appetite, promotes digestion, vitalizes the blood and brings back color to the cheeks and sparkle to the eyes. Tanlac may now be obtained in Wauseon, Ohio, at the Fink & Haumesser Drug Store, where it is being explained daily.

PRINCESS THEATRE. When Lew Shank took to the stage after he retired from the Mayor's office of the Hoosier Capitol there was a general "Haw Haw" on the part of most wiseacres who had Lew down as a joke and predicted that his career on the stage would be decidedly abrupt.
